FARIS AL-ASMARI

Urban & Regional Planning Student | Student Leader & Volunteer | GIS, Geomatics & Transport Planning

Jeddah, Saudi Arabia • +966 58 000 2585 • farisx2002x@gmail.com • linkedin.com/in/faris-a-alasmari-3a4a2a337

PROFILE

Urban & Regional Planning student at King Abdulaziz University (Level 300) and recipient of the University's Certificate of Excellence for 2025–2026. Member of organising committees for college and university events with 100+ verified volunteer hours, while working alongside full-time study in drone geomatics since 2024 and in transport planning at Hafil since my co-op training. Confident presenting to teams, visitors and partners in Arabic and English, and motivated to represent King Abdulaziz University and its values to students, guests and the community.

EDUCATION

King Abdulaziz University, Faculty of Architecture and Planning — Jeddah

Bachelor of Urban and Regional Planning (Level 300) — Expected 2028

- Cumulative GPA: **4.29 / 5.00** • Certificate of Excellence, Deanship of Student Affairs (2025–2026).

LEADERSHIP, EVENTS & VOLUNTEERING

- **Zones Committee member, "Urban October 2025", Postgraduate Studies Forum (Research Day) and "Engineering & Urban Day 26" (KAUPT team):** recognised by the University for each event (10/2025 – present).
- **"Fragrance of the Past" exhibition:** managed the workflow and operations of the exhibition.
- **Capstone 2025:** member and participant.
- **100+ verified volunteer hours** through the National Volunteer Platform, serving the community and university initiatives.
- **Al Khobar Urban Development Hackathon, Eastern Province Development Authority (2026):** worked in a team to develop and pitch a pedestrian network reconnecting central Khobar with its waterfront.
